## To Manufacture.

There is a movement on foot to interest growers of burley tobacco in the organization of companies for the manufacture of their product. This movement has grown out of the recent decision of the Supreme Court ordering the dissolution of the American Tobacco Company, and through which tobacco men generally see an encouraging outlook for the establishment of independent factories in the tobacco-producing states.

The growers who are foremost in the movement argue with their brothers of the industry that they would realize better returns than if they continue to sell the weed in loose leaf order or in hogheads.

It is not likely that there will be another pool of the raw material. The cost of pooling under the methods of the Burley Tobacco Society was enormous, and it is a matter of open comment that the majority of the growers who went into that organization with their tobacco have come out of it disappointed at the net returns for their crops. There are some who still have small tobacco of the 1909 crop in the pool, and there is no apparent hurry on the part of President Lebus and the Executive Board of the Society to sell this residue and wind up the affairs of the organization.

## Smith Caught.

After eluding the vigilance of the officers of three counties for the past three years, Wiley Smith, who it is claimed stole a horse from Thomas Vaughn and traded it to a man in Jackson county in May 1908, was captured just over the line in Jackson county last Thursday by Deputy Sheriff P. Bush and lodged in jail here. Vaughn identifies the man as the one who hired a horse and buggy from him in May 1908 and the rig was not recovered until it had been traded off to Jackson county parties and was later found in Laurel county by Deputy Sheriff P. Bush and Mr. Vaughn. Smith made his escape and chains since that time to have been in Oklahoma and Tennessee. Mr. Vaughn, Manager of the Idamay Coal Co., here, but at that time was in the livery business on Main st. There was a state reward of fifty dollars for Smith, which will go to Deputy Bush.

## Long.

The news of the death of Morris T. Long, which occurred at his home in Danville last week was received in his native county of Madison with much regret. Mr. Long was born near Kirtlandville and is widely connected in that section. For many years he has been in charge of the colored department of the State School for Deaf at Danville and no more popular man ever lived in Boyle county. He was sixty-eight years of age and is survived by a wife. Mr. Long was in Richmond about two weeks ago and paid the Climax office a call. He was a great disciple of Sir Isaac Walton and had intended coming to Richmond this week for a visit to relatives and to enjoy a few days fishing in Lake Itasca.

## Seemed to Give Him a New Stomach.

"I suffered intensely after eating and no medicine or treatment I tried seemed to do any good," writes H. M. Young, Editor of The Lake View, Ohio. "The first few doses of Chamberlain's Stomach and Liver Tablets gave me a surprising relief and the second bottle seemed to give me a new stomach and perfectly good health." For sale by Stockton & Son.

## Brown.

Mr. Wallace Brown, of Nelson county, representative elect and candidate for speaker of the House in the next General Assembly, was in the city last Wednesday talking with several friends. Mr. Brown is against the "ring" and claims that he will defeat the Blair-Schobert-Holland regime, which he claims is organizing to control the next general assembly.

**A New Back for an Old One.  
How It Can Be Done  
In Richmond.**

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the lions are so lame to stop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Richmond residents would do well to profit by the following example.

L. M. Cox 302 Bowyer St., Lexington, Ky., says: "My occupation requires much heavy lifting and I believe this was the cause of my kidney trouble. I first noticed a dull pain in my back which became so acute that I could not rest. When I arose in the morning, I was lame and stiff and felt so tired that I could hardly commence the day's work. My kidneys were also disordered and the kidney secretions caused me much annoyance by their frequency in passage. I doctored and tried many remedies but could not find relief. When suffering severely Doan's Kidney Pills were brought to my attention and decided to take them. I procured a supply. I soon improved and by the time I had taken the contents of a few boxes, I was cured."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name--Doan's--and take no other.

## At Broadhead.

Broadhead, the hustling little city in Rockcastle county, is making great preparations for the annual old time fair, which convenes this year August 16, 17 and 18th. This is really an old fashioned country fair and many people from these parts attend. The railroad is offering one fair plus 25 cts for the round trip.

For Clerk of Court of Appeals,  
R. L. GREENE,  
of Franklin.

We had a pleasant talk yesterday  
from our old friend, James H. Hogg, formerly  
of this county and well known here, but  
now of Jacksonville county. He came in  
to get a copy of last week's Climax con-  
taining an account of the Camp Douglas  
conspiracy during the war in which a  
number of Madison county men were in-  
volved. Mr. Hogg was a rebel soldier  
and a prisoner for many months, finally  
making his escape by scaling the walls.  
He was recaptured or as he himself ex-  
pressed it "he captured himself." Mr. Hogg  
in private conversation gave a number  
of interesting reminiscences but modestly  
insisted that we should not publish them.  
Mr. Hogg is a strong Democrat but  
says he will never support any man  
who favors the sale of liquor.

"Bible Sunday" cleaned up \$70.00  
and a little more in Ohio, Pennsylvania  
and Iowa towns preaching the gospel  
and "singing songs for Christ." This is  
more than the President gets. Sunday  
was for many years a base ball player  
and drew a large salary, but this later  
job out-classed it in every way. It is  
hoped he gives the usual one-tenth to  
the Lord.

There is said to be a great deal of  
dissatisfaction among the veterans of  
the United Army on account of the cold  
deal handed Capt. Ed. Parley by the  
O'Leary roller in the state convention.  
He was the only old soldier candidate  
and he was unmercifully trampled down.  
Many of them will now support the "Old  
Confederate" James B. McCreary.

This platform convention, which  
meets in Louisville, August 15th, fol-  
lowing a call by the Democratic State  
Committee, will be a hummer and those  
solid blocks, while Governor McCreary,  
J. A. Sullivan, and others will nail  
down will bring the old state once again  
into the right fold.

A FRANKFORT man claims he has  
solved the problem of perpetual motion.  
Nothing is impossible in the Capital  
city. Things have been pulled off there  
which defied the whole world.

Farm News

Items of Interest to the Farmer,  
the Grower and the  
Stockman.

Mr. J. B. Walker shipped to Paris  
last week 10,000 bushels of bluegrass  
seed purchased in this county at \$1.50  
to \$1.65 per bushel. They were con-  
signed to C. S. Brant & Co., who are big  
dealers in this staple.

Alfalfa pays when it is a success.  
W. P. Givens, of Boyle county, has  
been quite successful. He cut his first  
crop June 1st, and sold the hay for \$15  
per acre. On July 1st, he cut a second  
crop which made two tons per acre and  
is not yet sold. The third crop is eight  
to ten inches high and Mr. Givens ex-  
pects to cut the fourth crop before cold  
weather.

A recent communication from W. O.  
Park, who is engaged in the Live Stock  
Commission business at the Kansas  
City Stock Yards, we learn that the  
continued drought in Missouri is broken.  
Last week a heavy rain fell over the  
state and the grass is growing nicely and  
people generally feel much more en-  
couraged throughout the State.

John E. Madden, master of Hamburg  
Place, delivered to C. S. Brant & Co., at  
Lexington last week, between 4,000 and  
5,000 bushels of bluegrass seed, grown  
on Mr. Madden's farm. The price was  
\$1.65 per bushel.

In Boyle county the following sales  
of export cattle have been made recent-  
ly: Gen. Henry Ross sold to Schwartzchild  
& Sulzberger 168 head of splendid ex-  
port cattle at 6-14 cents. These big  
steers will weigh 1,500 pounds. Worth-  
while & McKee, the Gen. Ross',  
neighbors, sold to Joseph Hales, of Rich-  
mond, agent for Schwartzchild & Sulz-  
berger, 70 steers that will weigh about  
1,475 pounds, for 14 cents. Monte Fox,  
agent for Joseph Stern & Co., New York  
City, sold to the same firm 100 head of  
splendid export cattle at 6-14 cents. He  
also bought of J. C. Caldwell, Jr., 125 of  
about the same size at the same price.

The court day crowd was somewhat  
short but the live stock market was ex-  
ceedingly good. Manager Embury of the  
stock yards reports 500 cattle, 750 sheep  
and 150 hogs on the market. Cattle  
prices ranged from 4 to 4 1/2 sheep  
from \$2.50 to \$3.50 for ewes and an  
average of 5 cents for lambs. Stock hogs  
sold, several choice lots bringing  
as high as 10 cents. There were several  
buyers from a distance.

Mr. Edgar Doty is having a fine season  
with his great show horse, Lord Bourne.  
He won several blue ties at Lancaster  
and cleaned up in his class at there.  
He will go to Lawrenceburg next week.

Col. Font Fox, of Danville, was here  
court day looking over the live stock  
market.

Mules and mule colts sold well last  
Monday. Several buyers were here in-  
cluding Thomas C. Rankin, Mack  
Eubanks, and Senator Hubbell, of Lin-  
coln, J. W. Strode, of Fayette and  
Richard Cobb, and Bright Swinebrod, of  
Boyle and Garrard.

Sold Six.

A chicken fancier of Lexington pur-  
chased last week from Mr. Coleman Neff  
six settings of eggs from his celebrated  
White Plymouth Rocks. Mr. Neff has  
had calls for more eggs than he could  
supply, on account of the good showing  
his stock has made in show rings.

Burnam's Insurance Agency will bond

Plucky Youngsters.

Wm. Burnam and Neale Bennett,  
sons of R. R. Burnam and W. Neale  
Bennett took the Burnam pony and the  
Luton pony to the Berra Fair. Wm.  
Burnam drove the Luton pony and  
Neale drove the Burnam pony and carried  
the blue. The boys took a little money in  
their pockets to pay expenses in case of a  
turn down but started out with the full  
determination of capturing the prizes  
and of bringing more back with them  
than they started with. It was a plucky  
adventure for the boys and pluck al-  
ways wins. Outside information is  
that the boys acted like veteran horse-  
men and bore their honors with due  
modesty.

Chinese Idea of Government.

Here is a Chinese idea of property  
in a nation: When the sword is rusty,  
the plow bright, the prisons empty, the  
granary full, the steps of the temple  
worn down and those of the law courts  
empty, when doctors go about on foot,  
the bakers on horseback, and the men  
of letters drive in their own carriages,  
then the empire is well governed.

One Objection.

"I wouldn't object to be man dat  
keeps takin' all de time," said Uncle  
Eben, "if he didn't 'savin' to 'b'low' in  
a question every ten minutes or so dat  
you's got to answer to show you's  
keeps' awake."

A Hot One.

Judge James Benton has drawn a set  
of resolutions he has prepared and he  
will present to the Democratic County  
Convention of Clarke next  
Saturday, when delegates will be  
read them. The following are two of  
the leading paragraphs: Where the  
local option law is not adopted and put  
in force and where license for the sale  
of intoxicating liquors may be legally  
issued, we favor fixing the license tax  
or fee, other than that exacted by the  
municipality in which the business is  
to be conducted, at the sum of one  
thousand dollars, one-half to go to the  
State and the other half to the county.  
The State's portion to constitute a part  
of the State's Good Roads Fund, and  
the county's part to go to the Road  
Fund of the county.

In the interest of a better and  
rational enforcement of our Criminal  
Law, we favor a substantial reduction  
of the number peremptory challenges  
jurors allowed defendants in criminal  
cases, and ask that the method of  
selecting juries in criminal trials be  
made to conform to this method now ap-  
plied in civil cases, and we ask that  
such a plan be placed in the statute,  
and such a measure enacted. We feel it  
will be no longer permissible in this  
State for a man charged with crime to  
peremptorily reject fifteen of the best  
jurors presented as jurors to stand  
before him and then select from the  
balance the jury which will try his case.

Mr. R. R. Burnam, Jr., was a guest  
of Mrs. H. H. H. of Paris, at a social  
dinner given by her last night. Mr.  
Burnam came from his home in  
Clark county to the death of his sister, Mr.  
E. C. H. H. of Paris.

Mr. B. H. H. of Paris, who has been  
in the city for some time, has returned  
home and will be in the city for some  
time.

Fast Pacer.

Marlin Gentry claims he was the  
victim of a very raw deal at Berra fair  
last week. He had won two heats in  
the 2-25 pace with his old buggy nag,  
Iona, and the judges claimed he was  
guilty of fouling in the next heat. Iona  
was pitted against several Madison  
county cracks, but he showed his heels  
to many of them. He is the big sorrel  
gelding that Mr. Gentry drives every  
day to his family carriage and a gentle  
old family horse, but on the track he  
can show a fast gait.

Deaths

Oldham.

A Special from Harrodsburg tells of  
the death of Thompson B. Oldham,  
which occurred at his home in Mercer  
county last week. Deceased was a  
native of Madison, but had lived in  
Mercer for many years. He was ninety  
two years of age.

Venable.

Paul Venable died at the home of his  
parents last week. Mr. and Mrs. A. M.  
Venable, near Kingston last Saturday, August  
5th, after a lingering illness of Con-  
sumption. He was never married and  
was thirty-six years of age. He has  
always made his home with his parents.  
The funeral services were held Sunday  
afternoon, at the home by Elder E. C.  
McDougle, pastor of the Mt. Zion  
Christian church, of which the deceased  
had been a member for many years,  
and internment followed in the Bullard  
burying ground. Mr. Venable was an  
earnest worker in the church and Sun-  
day School, and was universally beloved  
by all who knew him. One of his  
neighbors who had known him in all  
of the walks of life, told the Climax  
that he had never known a better man nor a

Burnam.

Tutt Burnam is dead. Seldom has the  
news of the death of one of its citizens  
been received in Richmond with as much  
sorrow, as on last Saturday morning  
when a wire, announcing the death of  
Edwin Tut Burnam in Baltimore, was  
received by relatives here. Mr. Burnam  
had been ill but a short time, and while  
he had been in a critical condition for  
several weeks, yet his death came as a  
profound shock to all. Some weeks ago  
he was taken to the above city, where

YOUR POCKETBOOK

is, of course, a necessary guide as to the extent  
to which you can indulge your tastes in various  
things. It is fortunate, therefore, that in  
plumbing fixtures, which must of necessity be  
of the best quality, you can satisfy your  
tastes at moderate cost without fear of their  
sanitary security.

This is owing to the great number of de-  
signs of "Standard" fixtures which are all  
sanitary, and whether of the smaller designs  
or the more elaborate, will look well in your  
bathroom.

If you want your work done right let us

<b>Humane Society.</b> Gives Many Little Points That May Be Practiced By All With Good Results. In conversation yesterday with a very enthusiastic lady member of the Humane Society, who is constantly looking into the violations of the humane laws, she said I never see a horse pass with its head checked so high that every time it stops it bogs, by throwing its head up and back, for relief, without wishing that the same harsh treatment might be visited upon the owner or driver. No man can make a high-stepping horse out of a low traveler by any such device, except for the time the check rein is at the cost of all comfort on the part of the horse. The following letter has been sent to the Lexington paper from one of the nurses at the Asylum: "Dear Sir: I write to you and to inform your many subscribers of the dreadful plague that is raging at the Eastern Kentucky Asylum for the Insane. The new plague is called pellagra. One of the nurses informed yesterday that it was lately brought there by foreigners. A woman was brought in about a week ago with it and was placed in Ward 5, and now there are fifteen or twenty cases. It is described as running from the tips of the fingers all over and the skin is white all around the nails until the flesh falls off. "The doctors are trying to make it appear that it is not contagious. It is a willful lie to say so. I am a nurse and know all such lies are contagious and it is wrong to deceive when so horrible a disease starts them in the face with death already. "All who have friends in the institution should at once remove them, as a great many have already done. It should be done without delay for the sake of humanity. If you have friends there take them from this plague at once. If you could see one case you would not delay." An old time Democrat. Oillard Williams, the hustling merchant at Pryor, Estill Co., was in Richmond Monday. He is greatly interested in the success of the Democratic ticket this fall and called at the Climax office to find out "how things are getting along". He predicts a big majority for Senator McCrory and the entire ticket. Cooked Fish. In making a test at the Richmond Electric Light plant last week, wires were run into the big lake, which supplies the water. So heavy was the current that many fish were killed instantly, their bodies being cooked by the heavy voltage. The test was made in order to ascertain how great a load of electricity the new machine would carry. A Long Time. After forty six years, back pay to the amount of \$6.01 has been received from the Pension department at Washington by Judge John C. Chenault for "Aunt Ann" Parks, an old negro residing at Rutledge, this county. "Aunt Ann" is the widow of Anderson Parks who served the Union in the civil war, and in applying for a widow's pension it was discovered by the department that there was \$6.01 owing Anderson Parks, colored, of Madison county, for clothes allowance since 1862, the year he was mustered out of the service. It is a pity why the claim had never been paid, as Parks drew a pension for many years prior to his death. The lady was overjoyed when the money was handed her, and declared it the best money she had ever received in her life. Branching Out. Local capitalists, who are keen to the great advantages of knowing the loose leaf tobacco business, have organized a company to erect a warehouse in Cynthiana and will have the first loose leaf market in Harrison county. All the men are experts and the enterprise is sure to be a paying one. The two houses in Richmond are expecting a big business this season and are making necessary preparations. There is talk of a third house here, but the promoters are figuring whether it will pay them to take the chance. Nabbed Here. "Bob" Blythe, a burly negro, who has just served a sentence in the local jail, was nabbed at Fort Estill last week by Sheriff McCord as he was enroute to Cincinnati on the L. & N. train. Blythe broke into the Paint Shop depot and loaded up on many things belonging to the railroad. He also secured a suit case belonging to Mr. Harry Francis, a gentleman, and prevented him from attending a social function. He was placed in jail here and will be sent to the penitentiary for a while. Mr. Francis returned his suit case and clothes, but the railroad men are still looking for him. J. B. Walker Tandy Eads Jesse Cobb	<b>FREE SAMPLE OF LAXATIVE CURED HIS CONSTIPATION</b> When a person has become discouraged through years of failure to find a cure, and finally, perhaps, gives up trying, it is small wonder that he becomes skeptical. And yet, to all who have constipation, we would say, "Try just one thing more." "We wish you would try Dr. Caldwell's Syrup Pepsin, a laxative tonic that has been used for a generation. Thousands are using it; surely some of your friends must use the number. You can buy it of any druggist at fifty cents and one dollar a bottle, but better still, send your name and address to Dr. Caldwell for a free sample bottle. He will send you enough to convince you of its merits, and then if you like it you can buy it of your druggist. Mr. J. J. Petty of Unionville, Mo., Mr. George W. Zimmerman of Harrisburg, Pa., and many others of both sexes and in all parts of the country first used a sample bottle and now have it regularly in the house. You will learn to do away with salts, waters and cathartics for these are but temporary reliefs while Dr. Caldwell's Syrup Pepsin is guaranteed to cure permanently. It will train your stomach and bowel muscles so that they will do their work again naturally without outside aid. Cast aside your skepticism and try Syrup Pepsin. For the free sample address Dr. W. I had pains all over, and suffered with an abscess. Three physicians failed to relieve me. Since taking Cardui, I am in better health than ever before, and that means much to me, because I suffered many years with womanly troubles, of different kinds. What other treatments I tried, helped me for a few days only." <b>TAKE The CARDUI Woman's Tonic</b> Don't wait until you are taken down sick, before taking care of yourself. The small aches and pains, and other symptoms of womanly weakness and disease, always mean worse to follow, unless given quick treatment. You would always keep Cardui handy, if you knew what quick and permanent relief it gives, where weakness and disease of the womanly system makes life seem hard to bear. ### Almost Double.

#### Land in Farms of the United States Shows Big Increase Over Last Year.

According to the Census Bureau announcement this week land in farms more than doubled in value during the past ten years in this country, having increased \$15,292,788,000, or 118 per cent. In 1900 they were valued at \$13,031,000,000 and returns of the 1910 census show they are now worth \$28,323,788,000.

Farm lands, farm buildings and farm implements of the country are valued at \$35,829,673,000, compared with \$27,357,426,000, ten years ago.

The number of farms in 1910 was 6,340,130, as compared with 5,573,372, in 1900, an increase of 11 per cent. The land increased in 1900 from 826,092,000 acres to 873,703,000 in 1910 or 5 per cent, but a larger increase, 15 per cent, is noted in improved acreage, which in 1900 was 141,490,000 acres, and in 1910, 162,484,000 acres.

More conspicuous than the increase in the number and acreage of farms has been the increase in the improved values of farm property. The land in farms rose in value from \$13,031,000,000 in 1900 to \$28,323,788,000 in 1910, an increase of 118 per cent, and during the same period the average value per acre of all land in farms rose from \$15.60 to \$28.50, or 108 per cent.

Farm buildings which in 1900 were valued at \$3,526,611,000 were reported in 1910 as worth \$6,391,025,000, an increase of 78 per cent. Farm implements and machinery reported in 1910 as worth \$1,261,817,000 and ten years previously as worth \$740,778,000, show an increase of 68 per cent.

#### Loss of Time means Loss of Pay.

Kidney trouble and the ills it breeds mean lost time and lost pay to many a working man. M. Balent, 1214 Little Penna. St., St. Louis, Mo., was so bad from kidney and bladder trouble that he could not work, but he says: "I took Foley's Kidney Pills for only a short time and got entirely well and was soon able to go back to work, and am feeling well and healthier than before." Foley's Kidney Pills are in fact, quick in results—a good friend to the working man or woman who suffers from kidney ills. Foley's Kidney Pills will check the progress of your kidney and bladder trouble and lead by removing the cause. Try them. For sale by Stockton & Son.

#### Brings Suit.

A special from Paris, France, says: After a meteoric career as a beautiful girl and society woman, and eventually as the Duchess of Choiseul-Praslin, the woman, who was Lucy Tate, of Staunton, Ky., is now suing another woman, who was originally Miss Claire Conder, from New York, for having wrongfully assumed, it is alleged, the title of Duchess of Choiseul.

Heard from the friends of the one-time Lucy Tate in the Blue Grass and the former Miss Goudier, in New York, are watching the battle in the French courts with as much interest as are the French social personages themselves.

Miss Tate was first Mrs. Hamilton Paine, of Boston, and after her husband's death became the Duchess of Choiseul-Praslin. She now alleges that the Duchess of Choiseul assumes that title without right, and begs the French courts to settle the dispute.

The Duchess of Choiseul, on the other hand claims that her title is literally correct, and it is said, threatened legal proceedings. Both of the ladies are suing under the names of their husbands.
